DISCOVER THE NEW 100% ELECTRIC MOBILITY FOR YOUR FAMILY

What if you had the ideal family van, with room for 5, 6 or 7, all the versatility you need, and a totally new kind of driving pleasure? Now imagine if you never had to stop for petrol or worry about oil changes or transmission service. It's all yours when you go 100% electric with the all-new e-NV200 Evalia. We took the same innovative technology that already put more than 160,000 Nissan electric vehicles on the road, and combined it with our award-winning NV200 Evalia. Which means you can start the day ready to go on a full charge and get a zero-emission, 106 miles* (homologated NEDC) range for all of your to-do's. Make the switch for you and your family, so you can say goodbye to petrol. And all that with maximum cost efficiency: energy cost is 4 times cheaper than on your current petrol or diesel car.

106 miles*
(homologated NEDC)
on a single charge

30
mins.**

**RAPID
CHARGE**

4
hrs.***

**FAST
CHARGE**

10
hrs.

**STANDARD
CHARGE**

Drive in Eco Mode and B Mode to extend your range even further. Eco Mode automatically adjusts acceleration response and the climate control system to minimise energy consumption. B Mode increases the level of regenerative braking. Together, they help you get the most out of every charge.

*Actual range may vary due to driving style, road condition, outside temperature, air conditioning, payload and other factors outside our control

**0-80% charge using a 50kW DC rapid charger

***Using an optional 6.6kW on-board charger and a 32A (7kW) power supply or wall box

With the press of your Zero Emission button, get instant access to:

- estimated range
- nearby charging stations
- eco route planning
- energy usage
- driving habits and history

ALWAYS STAY CONNECTED

You only need to go as far as your dash to get all the info you need for the day's plans. Keep tabs on your current charge, estimated range, and how much power you're using as you drive, right on your instrument panel. Then access the Nissan Navigation System, CARWINGS, the Zero Emission menu, and audio options all in one place – on the 178 mm colour touch-screen monitor. Here, you can manage your driving range, calculate routes, get real-time traffic updates, and use hands-free text messaging. And, thanks to CARWINGS, you can also connect with your e-NV200 using your computer or mobile device to manage some functions remotely, like charging, climate control, and more.

REQUEST A TEST DRIVE

TALK TO YOUR EVALIA – IT'S LISTENING.

And it will talk to you as well. For instance, when it sends you a friendly message to let you know that it's finished charging. CARWINGS makes the conversation possible, with a smartphone app that lets you keep in touch with your e-NV200 Evalia remotely and ask it to do things like start charging or turn the heating on. And when you log on to CARWINGS on your laptop, you'll discover even more ways to make driving 100 % electric easy and fun. Check your smartphone – that might be your Evalia calling.

- program your charge during the most convenient time
- warm up or cool down the interior
- check your drivable range*
- check battery status

FROM YOUR SMARTPHONE.

With the available CARWINGS app, you can connect to your Evalia to start and stop charging, access climate control, see your drivable range*, and get alerts and updates.

- get the latest trip reports
- see how you rank in energy consumption
- find a charging station

FROM YOUR COMPUTER.

In addition to all that you can do from your phone, log into your CARWINGS account online to learn your driving history, plan your route and even see how your driving efficiency ranks among other Evalia owners.

*Estimated drivable range based on current battery charge level and previous range achieved

**REMEMBER WHEN DRIVING
WAS ACTUALLY FUN? WELCOME BACK.**

There's nothing like driving electric. 100% torque off the line and seamless acceleration bring a fun, new kick to your everyday to-do list. The low centre of gravity and tight turning radius mean curve-hugging handling and easy control in the driver's seat. And, with no engine noise or vibrations, everyone on board will enjoy the amazingly smooth, quiet ride. So whether you're running errands or are out in town, driving your e-NV200 Evalia will become one of your favourite times of the day.

Battery placement creates an optimised centre of gravity.

NO
Noise

NO
Vibrations

REMOTE HVAC CONTROL
Get the cabin temperature just right before you even get in by using your smartphone or iKey to remotely control your e-NV200 Evalia's HVAC (Heating Ventilation and Air Conditioning). It's a great way to conserve your charge.

Dual-control heated front seats and heated steering wheel give you a cosy welcome on cold days.

KEEPS EVERYONE IN THEIR COMFORT ZONE.

Everyone gets a good seat in this spacious, comfortable cabin that accommodates 5, 6 or 7 people. Thoughtful details have your family in mind, like a low step-in height and lots of smart storage for the must-have items that always come along. You get all the functionality of an MPV, along with the pleasantly quiet ride of an electric vehicle – it's a new kind of family space.

2nd row passengers enjoy convenient fold-up trays with a built-in beverage holder.

CARGO SPACE FOR ALL YOUR TO-DO'S.

When it comes to cargo, your e-NV200 is incredibly versatile, so nothing gets in the way of your plans. Seat five, six or seven people very comfortably with plenty of room for their luggage Plus, it's easy to load, thanks to an exceptionally low 1.3 m rear load height.

2 seats

In the two-seat configuration, you get best-in-class 3.1m³ of cargo volume. That's three mountain bikes with front wheels still attached. Ready for adventure!

5 seats

With five people on board, you can still take a large suitcase for each of them. That's 2.3 m³ of load space – or fold down the second row of seats to create even more space. With the front passenger seat folded down, you can even carry items up to 2.8 m long.

7-seater.

All is possible in the e-NV200 7-seater. You can fold the 3rd and 2nd row seats to make more space all your luggage requirements.

Thoughtful storage

The e-NV200 has 13 different useful places to stash your stuff, including concealed areas like this under-seat storage drawer, and centre console.

STRETCH YOUR CAPACITY WITH THE 7-SEATER.

The 7-seater goes to even greater lengths to accommodate your needs and desires. With 7 full-size seats and plenty of leg and arm room, you can take your whole tribe on an adventure whenever the mood takes you. Thanks to 2nd row seats with a 6:4 fold down split, and 3rd row spring-up seats, you'll be able to take objects of all shapes and sizes on board. e-NV200 Evalia makes light work of it all.

NISSAN SAFETY SURROUND YOURSELF WITH CONFIDENCE.

Wouldn't it be cool if you had the confidence you need for every part of your drive? Nissan's safety technology takes a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of the many on your Nissan e-NV200 Evalia, helping to protect you and your family by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

Experience ESF Electrical Stability Control turns last-minute lane changes and rapid stops into smoother operations.

STANDARD AIR BAGS

Safety cushion Just to be on the safe side, e-NV200 Evalia is equipped with six air bags.

Hill Start Assist If you've stopped on an incline and need to start moving again, no worries. Hill Start Assist helps keep you from rolling backward by holding brake pressure for a few seconds, giving you time to switch from the brake pedal to the accelerator.

Easy-Fill Tyre Alert Helps ensure you're travelling on properly inflated tyres by taking the guesswork out of filling them. Just listen for a friendly beep of the horn, and you'll know you've reached the correct pressure.

4 disc brakes and Brake Assist Unlike some competitors, e-NV200 Evalia is equipped with disc brakes all around for confident stopping power. And if you need to hit the brakes hard, Brake Assist senses an emergency and automatically applies maximum braking force.

Get the big picture The available RearView Monitor makes tight parking spots more inviting. The screen on your dash shows the view behind your car with superimposed parking guidelines. Add to that two wide-angle side view and convex mirrors, and you've got all you need to enjoy greater visibility, safer lane changes and parking that's a snap.

THE FULL KIT

GENUINE NISSAN ACCESSORIES

COMPLETE YOUR e-NV200 EVALIA WITH NISSAN GENUINE ACCESSORIES. From soft trunk liners to handy tablet holders, luggage nets to dog guards, they're custom built, tailored to fit and designed with your specific needs in mind.

BODY VARIANTS

Evalia with double sliding doors and hatch

Combi with double sliding doors and hatch (Glazed rear French doors available as an option)

Van with double sliding doors (Glazed French rear doors as available as option)

Please see separate brochure for details on e-NV200 5 & 7 seats Combi and Van.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN EXTENDED WARRANTY

NISSAN gives you the opportunity to extend the 3 years / 60,000 miles warranty for a longer period or mileage (except for the battery and other high voltage components). Select the contract that best suits your driving usage.

In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians.

For your peace of mind, as part of our CARE-EV pledges, 24/7 Pan-European EV roadside assistance is included with every Nissan EV purchased.

NISSAN e-NV200 OFFERS YOU:

Nissan offers a 5 years / 60,000 miles warranty on all EV dedicated (High Voltage) components and 3 years / 60,000 miles warranty on standards components. If you choose to buy Nissan e-NV200 Evalia on the battery lease scheme, the warranty on the High Voltage components (including the battery) is unlimited for the duration of the battery lease.

Nissan e-NV200 Evalia lithium-ion battery warranty also protects against capacity loss below 9 bars of capacity (out of 12) for a period of 5 years / 60,000 miles.

12 year anti-corrosion warranty.
12 months / 18,000 miles service intervals.

NISSAN SERVICE CONTRACTS

NISSAN Service Contract is the best way to give your New Nissan e-NV200 Evalia the maintenance it deserves! We take good care of your Nissan whilst keeping your aftercare at fix price over years.

At our dealerships, we will change your e-NV200 Evalia's parts and fluids in accordance with Nissan official service schedule and perform check-ups for peace of mind journeys.

For total budget and plan control, Nissan will inform you of due visits and propose the most suitable service and timing for your services.

Ask your sales representative about including accessories in your Nissan finance deal and benefit from a financing plan that suits you.

Nissan Genuine Accessories
3 years or 60,000 Miles if fit at PDI by Nissan dealers (Parts and labour)
12 months if fit by 3rd Party or customer (Parts only / unlimited mileage)

Nissan Approved Accessories
2 years or 60,000 Miles if fit at PDI by Nissan dealers (Parts and labour)
12 months if fit by 3rd Party or customer (Parts only/unlimited mileage)

NISSAN CARE WARRANTY

Nissan Care Warranty allows you to benefit from your e-NV200 warranty for a longer period or mileage.

The range of available contracts will enable you to select the one that best suits your needs.

Our trained technicians know your vehicle better than anyone and will only fit Approved Quality Parts.

Nissan Care Warranty gives you peace of mind that any unexpected eventualities will be taken care of, and can be transferred should you sell the vehicle privately.

Nissan Care Warranty also includes complementary Nissan Roadside Assistance for the duration of your policy, giving you pan-European coverage 24 hours a day, 365 days a year.

NISSAN SERVICE CONTRACTS

Give your e-NV200 the care it deserves with a Nissan Service Plan and save money in the long run.

Our Service Plans cover all the standard servicing requirements for your e-NV200.

Our Service Plans give you the option to fix your service costs for up to 5 years.

Your Service Plan covers all the checks and replacements required by your Nissan's individual service schedule.

Benefit from the use of Approved Quality Parts fitted by our trained technicians.

A well-maintained vehicle has a greater resale value.

And if you sell your Nissan before your coverage expires, the new owner will benefit from the residual contract.

Europa Group Limited is authorised and regulated by the Financial Conduct Authority. Financial Services Register No. 309794. Registered as a limited company in England and Wales No. 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol BS35 2JX.

FURTHER INFORMATION

On The Road Prices. On The Road Price includes 12 months Government Vehicle Excise Duty (VED) determined by CO₂ emissions figure and fuel type, £55 Government First Registration Fee, number plates and delivery to the Nissan Dealership.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used.
The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Diesel Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Alternative Fuel Car	£0	£0	£0	£0	£120	£135	£175	£290	£345	£490	£640	£875	£1,110

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £230 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.
VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
