The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of a B-Class Electric Drive. Choose from a number of attractive finance offers. Please see pages 8-9 for further details, or visit www.mercedes-benz.co.uk/offers

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

Model prices

Engine	Model line	Transmission	CO ₂	Basic RRP excl. VAT (£)	Total RRP incl. VAT (£)	Road Fund Licence (£) ¹	Rec. OTR price (£) ²	P11D value (£)	Rec. OTR with PICG (£) ³	BiK tax rate 2017/18 (%)
B-Class Electric Drive Asynchronous motor – lithium-ion battery, 28 kWh, 179 hp/132 kW	Sport	Single speed	0	27,216.67	32,660.00	0.00	33,290.00	33,235.00	28,735.00	9
	Electric Art	Single speed	0	27,462.50	32,955.00	0.00	33,585.00	33,530.00	29,030.00	9

¹Figures are based on registration on or after 1 April 2017. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 39 for the relevant rate for the second and subsequent years, and for vehicles registered before 1 April 2017.

²Recommended on-the-road price: these prices reflect the Road Fund Licence applicable to the standard model plus £630.00 additional costs necessary to put your car on the road. Included are a standard UK delivery charge (£540.00 incl. VAT), new vehicle registration fee (£55.00), number plates (£25.00 incl. VAT) and a battery charge (£10.00 incl. VAT). VAT is calculated at the standard rate of 20%.

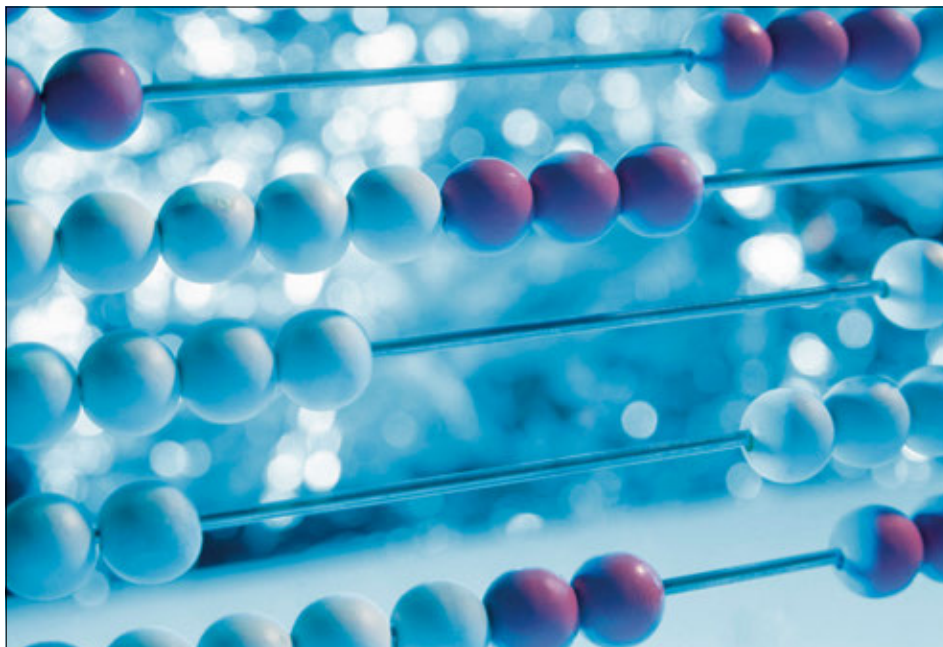

³PICG (Plug-in car grant) is a £4,500.00 discount from the government. The amount of your grant will be automatically deducted from the price of your B-Class Electric Drive when you purchase it. Your authorised Mercedes-Benz Retailer will complete all the paperwork for you.

B-Class Sport

Optional metallic paint finish and Premium equipment line shown

True to its name, the Sport's dynamic styling includes a radiator grille in iridium silver with chrome inserts and 17" multi-spoke alloy wheels in himalaya grey. A choice between black, sahara beige or crystal grey ARTICO leather¹ upholstery combined with a sail pattern dashboard trim sets the tone for the interior. The door armrests feature contrast topstitching, and the 3-spoke multi-function leather steering wheel comes with a perforated

grip area. THERMOTRONIC luxury automatic climate control with dual zone adjustment and ambient lighting also add to your sense of wellbeing. Plus, for your in-car entertainment and information, there is the 8-inch colour display and the Audio 20 CD multimedia system with pre-installation for the optional Garmin® MAP PILOT navigation system.

Exterior

17" multi-spoke alloy wheels painted in himalaya grey
Beltline trim strip in chrome
Exterior mirrors – body coloured with integrated LED indicators and aspherically curved mirror glass
Radiator grille with two louvres painted in iridium silver with chrome inserts
Reversing camera with dynamic guidelines on central display

Interior

Ambient lighting (single colour) with indirect illumination of interior door handles at front and rear and door trim elements
Cruise Control with Limiter
Folding tables on rear of driver and front passenger seat backrests
Footwell lighting in front and rear
Instrument cluster with 4.5-inch TFT colour multi-function display, silver-coloured dials and red needles
KEYLESS-GO starting function
Smartphone integration comprising Apple CarPlay™
THERMOTRONIC – luxury automatic climate control (two-zone)

Trim and Upholstery

Sail pattern

ARTICO leather¹ – black

B-Class Electric Art

Optional Premium equipment line and privacy glass shown

You'll recognise the Electric Art model by its cirrus white or south seas blue paint finish with exterior door mirrors and a radiator grille with two louvres in contrasting paintwork. 18" multi-spoke alloy wheels in matt black are also exclusive to this model line. The stylish interior is fitted with black

ARTICO leather¹ upholstery with blue contrast stitching and sail pattern trim, combined with a black roof liner. On the velour floor mats, you'll notice 'Electric Drive' lettering and blue contrast topstitching.

Exterior

- 18" multi-spoke alloy wheels painted in matt black with a high-sheen finish
- Beltline trim strip in chrome
- Exterior mirrors in cirrus white or south seas blue (in contrast to body colour) with integrated LED indicators and aspherically curved mirror glass
- Radiator grille with two louvres painted in cirrus white or south seas blue (in contrast to body colour) with chrome inserts
- Reversing camera with dynamic guidelines on central display

Interior

- Ambient lighting (single colour) with indirect illumination of interior door handles at front and rear and door trim elements
- Folding tables on rear of driver and front passenger seat backrests
- Footwell lighting in front and rear
- Instrument cluster with 4.5-inch TFT colour multi-function display, silver-coloured dials and red needles
- THERMOTRONIC – luxury automatic climate control (two-zone)
- Velour floor mats with blue contrast topstitching and 'Electric Drive' lettering

Trim and Upholstery

Executive equipment line

Parking Pilot

Heated front seats

Garmin® MAP PILOT navigation system

This equipment line is designed to add yet more comfort to your journey. It comes with Parking Pilot for effortless parking, heated front seats and the Garmin® MAP PILOT navigation system complete with 8-inch colour display.

Executive equipment line (code DP3) – designed and priced as a package, including items as listed below. **Total incl. VAT £995.00**

Executive equipment line comprises:

Parking Pilot

Parking Pilot helps find appropriate parking slots and can also automatically manoeuvre the car in and out of perpendicular and parallel parking spaces. Parking Pilot also monitors front and rear while vehicle is being manoeuvred and warns the driver if risk of collision is detected

Garmin® MAP PILOT navigation system

Operation via controller, touchpad or voice control. SD card navigation with instructions shown on the Media Display. Includes 3D views with visualisation of roads and buildings as well as junction and lane assistants, making it easy for drivers to orient themselves. Spoken instructions are emitted through vehicle's built-in speakers. Software and map can be updated online

Heated front seats

Driving Assistance package

Blind Spot Assist

Lane Keeping Assist

Safety is at the heart of this package. It features the renowned Mercedes-Benz PRE-SAFE® anticipatory safety system which offers extensive all-round protection. Blind Spot Assist alerts you to unseen obstacles behind you, while Lane Keeping Assist warns you if you unintentionally stray out of the lane.

Driving Assistance package (code DP2) – designed and priced as a package, including items as listed below. **Total incl. VAT £875.00**

Driving Assistance package comprises:

Blind Spot Assist

Visible warning in exterior mirrors if vehicle is detected in the blind spot. Audible warning if indicating to move out of lane when a vehicle is detected in the blind spot

Lane Keeping Assist

Vibrates the steering wheel when detecting unintentional drifting out of lane

PRE-SAFE® anticipatory safety system

If the system detects a critical driving situation, preventive occupant protection measures are initiated, including reversible seat belt tensioning, adjustment of passenger seat positions (if Memory package is fitted)

[View offers](#)[Book a test drive](#)[Find a Retailer](#)[View the Range Guide](#)

Energy Assist package

Acoustic presence indicator

Privacy glass

Radar-based regeneration

Range Plus

The Energy Assist package comes with heated windscreen and a radar-based regeneration, ensuring a more efficient drive. Range Plus adds another 18 miles of range thanks to further efficiency measures including additional insulation and all-round privacy glass. As part of acoustic presence indicator, pedestrians and cyclists can be warned of the car's presence at speeds up to 18 mph.

Energy Assist package (code DP9) – designed and priced as a package, including items as listed below. **Total incl. VAT £945.00**

Energy Assist package comprises:

Acoustic presence indicator

Emits audible warning up to 18 mph alerting pedestrians/cyclists of car's presence.
Warning inaudible from interior of the vehicle

Heated windscreen

Good visibility restored quickly even if the windscreen is iced up – with no scraping required

Privacy glass

Heat-insulating dark-tinted glass all round from B-pillars to keep cabin cool in hot conditions and reduce heat from escaping in cold temperatures

Radar-based regeneration

The recuperation power is automatically adjusted to the current traffic situation, leading to more efficient driving, lower consumption and a higher range

Range Plus

Provides an additional 18 miles of range taking the total to 142 miles during the next charge cycle

29

02 | Shallow boot tub

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene, its structured surface holds the separately available stowage crate in place. Deep boot tub also available.

RRP £88.50 (incl. VAT)

03 | Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

RRP £87.50 (incl. VAT)

¹Figures for rated output and rated torque according to Regulation (EC) No. 595/2009 in the currently applicable version. ²Peak power; continuous power 65 kW. ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 20–100% charge using a wallbox (3-phase) or standard socket (single-phase). ⁴New European Driving Cycle. The figures shown were obtained in accordance with the prescribed measuring process (Sec. 2, Nos. 5, 6, 6a of the German Ordinance on Fuel Consumption Labelling for Cars [Pkw-EnVKV] in the applicable version). The figures are not based on an individual vehicle. They are provided solely for the purpose of comparing different vehicle models. It is common that differences occur in real driving conditions compared with these certified laboratory values. *Please see next page for further information. ⁵Figures according to Directive 70/156/EEC as amended by 2000/40/EC.

● Standard ○ Optional – Not available

Technical data

38

*The manufacturer's stated fuel consumption figures are based on the legally prescribed NEDC test cycle, which is performed in a laboratory. These are the only figures we are allowed to publish.

It is common that differences occur in real driving conditions compared with these certified laboratory values. They result primarily from conditions different from the legally-prescribed laboratory conditions, for example when ambient temperatures differ (the weather is hot, cold, windy, wet), the vehicle is operated under different loads and many other factors.

For several years, Mercedes-Benz has fully and actively supported the early introduction of the WLTP (Worldwide Harmonised Light Vehicles Test Procedure) and the measuring procedure for Real Driving Emissions (RDE). This procedure is designed to supersede the NEDC, with the goal of bringing standardised and real-world consumption closer together.

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles. Dimensions may vary slightly depending on the engine. Please consult your Retailer for further information.

The figures on pages 37-38 are correct at time of publication. Please refer to the government website for latest data - <http://carfueldata.direct.gov.uk/>

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 37, and the relevant Excise Duty is reflected in the on-the-road prices on page 7.

	Vehicles registered before 1 April 2017					Vehicles registered on or after 1 April 2017			
	Petrol/Diesel			Electric/Hybrid			Petrol/Diesel/Electric/Hybrid

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your B-Class Electric Drive, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to three services and safeguard against further inflation. It also covers the cost of all recommended service items including brake fluid and screen wash for your B-Class Electric Drive.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

Mercedes me – the Mercedes that thinks and acts for you

Mercedes me contains a package of innovative services and lifestyle offers that connect you to your car via your desktop, tablet or smartphone using an app. Fitting effortlessly into your daily routine, it provides a wealth of information relevant to you and your Mercedes. It also assists you in the event of a breakdown or an accident.

Mercedes me connect services

Standard on all models.

- **Emergency Call** – if there's an accident, this feature automatically shares your vehicle location and status for a prompt response from the emergency services.
- **Accident and breakdown management** – contact our Customer Assistance Centre with a single button for fast breakdown recovery.
- **Telediagnostics** – automatically detects and shares details of any vehicle wear and tear with you, and shares the data with your Retailer.
- **Maintenance management** – reminds you when your service is due and automatically shares maintenance data with your Retailer.
- **Parking Time Assist** – track the time on your parking meter and receive an alert when it's due to expire.

Mercedes me Remote Online services

Standard on all models with COMAND Online. Available to purchase for an additional £150.00 (incl. VAT) for all models without COMAND Online.

- **Trip information and vehicle status** – access the vehicle's trip data such as fuel level, mileage, condition of brake pads and tyre pressure.
- **Remote door locking and unlocking** – lock and unlock your car remotely, wherever you are in the world.
- **Geofencing** – set up a geographical boundary and receive alerts whenever your car enters or leaves this area.
- **Parked Vehicle Locator** – locate your parked vehicle within a range of one mile and plot a route back to it.
- **Vehicle Tracker** – track the location of your car anywhere in the world.

Additional services for Plug-In Hybrid and electric models only, as part of Remote Online services:

- **Pre-entry climate control** – activate the pre-entry climate control system of your parked vehicle and set the temperature to your liking.
- **Route planning** – displays the electric operating range on a map and enables you to plan a route while stopping at public charging stations.
- **Charging points** – displays a list of the nearest public charging stations.
- **Charging profile** – control the charging settings from a distance so your vehicle can be ready charged when you need it.

Mercedes me Live Traffic Information

Live Traffic Information is part of COMAND Online (standard or optional, depending on model).

- **Live Traffic Information** – provides real-time traffic information for dynamic route planning for the first three years from vehicle registration.

In order to access these services, you are required to set up a Mercedes me account, assign your vehicle to your online account and accept the Terms of Use. Your local Retailer will be able to assist and guide you through the registration process. Once your subscription expires after three years, the services of Live Traffic Information can be extended up to three years at an additional charge (1 year = £39.00, 2 years = £69.00, 3 years = £89.00).

Mercedes me Vehicle Monitoring package

Standard on all models with COMAND Online. Available to purchase for an additional £69.00 (incl. VAT) for all models.

- **Geofencing** – set up a geographical boundary and receive alerts whenever your car enters or leaves this area.
- **Vehicle Tracker** – track the location of your car anywhere in the world.
- **Parked Vehicle Locator** – locate your parked vehicle within a range of one mile and plot a route back to it.

Mercedes me Vehicle Set-up package

Standard on all models with COMAND Online. Available to purchase for an additional £69.00 (incl. VAT) for all other models.

- **Personal profile** – store your preferences, such as your favourite radio stations and apps, to create your personal driver profile.
- **Trip information and vehicle status** – get remote access to the vehicle's trip data such as fuel level, mileage, condition of brake pads and tyre pressure.
- **Remote door locking and unlocking** – lock and unlock your car remotely, wherever you are in the world.
- **Send to Car** – search for destinations on your smartphone, tablet or desktop, then send the routes direct to your car for navigation.

To find out more about Mercedes me services and applications, visit the Mercedes me connect store <https://shop.mercedes-benz.com/en-gb/connect> or contact your local Retailer.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

> View offers

> Book a test drive

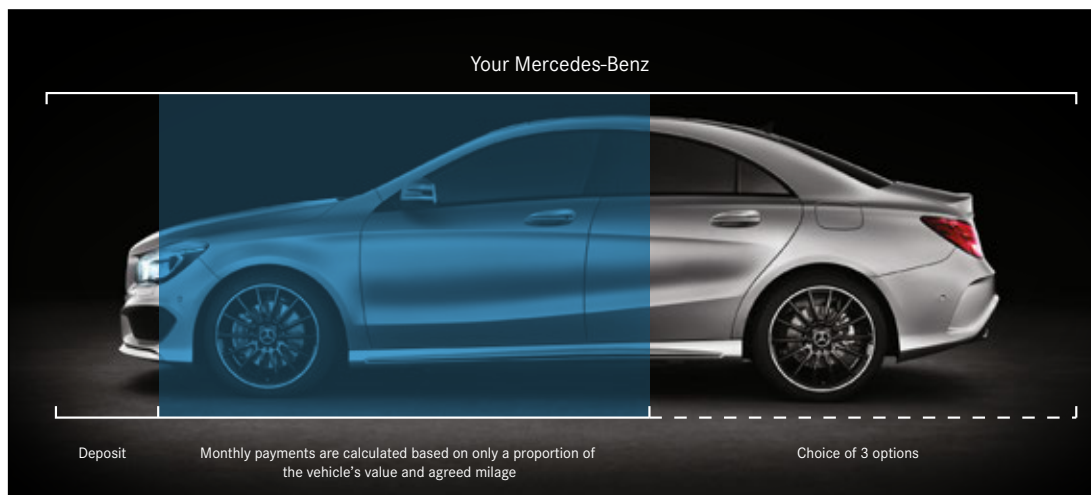

> Find a Retailer

> View the Range Guide

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
